The O. & S. S. Coptic will be due tomorrow from China and Japan.

The bark Ceylon went on the marine railway for a cleaning yesterday afternoon.

The steamer Claudine discharged her cargo of sugar upon the Oceanic wharf yesterday.

The steamer Ke Au Hou will be back from Kauai with a full load of sugar Wednesday morning.

The steamer Kauai came off the marine railway yesterday morning. She will sail today or tomorrow for Kauai.

The Italian corvette Christoforo Colombo, Bertolini commander, sailed for Vancouver at 6:30 a. m. yesterday.

The ship Tam O'Shanter will sail in ballast for Hongkong this afternoon. Seven Japanese seamen have been shipped.

It will take the bark Aldergrove about a fortnight, yet to discharge her cargo. After that she will sail in ballast for the Sound for orders.

The steamer Claudine for Maui at 5 p. m., the Mikahala for Kauai at 5 p. m. and the Iwalei for Maui and Hawaii at 12 m. will sail today.

A very painful accident happened to seaman Bore of the bark Aldergrove as she was discharging coal at the Fort street wharf yesterday afternoon. A piece of coal fell out of the tub as it was half way up and, striking a corner of the hatch, broke into two pieces. Bore was in the hold filling another tub, when one of these pieces fell

and struck him on the top of the head. The wound made was quite a bad one. Bore was sent to the hospital for treatment.

A war ship of an entirely new class is being built in France. In general design she will be a fast cruiser, but instead of carrying a battery of heavy guns her offensive strength will consist of sixteen small torpedo boats carried on her deck and which can be quickly lowered into and raised out of the water by means of strong derricks. The mission of this new vessel will be to overtake a hostile fleet in the darkness of night, put her sixteen little destroyers overboard, and, after the latter shall have worked all the havoc possible, the wicked brood will return to the mother ship so to speak.—Ex.
